- What are cookies?
- How do we use cookies?
- What types of cookies do we use?
- How to manage your cookies
- Privacy policies of other websites
- Changes to our privacy policy
- How to contact us
- How to contact the appropriate authorities

What data do we collect?

DryGair collects the following data:

- Personal identification information (Name, email address, phone number, etc.).
- Growing data
- Climate data

How do we collect your data?

You directly provide DryGair with most of the data we collect. We collect data and process data when you:

- Register online or place an order for any of our products or services.
- Voluntarily complete a customer survey or provide feedback on any of our message boards or via email
- Use or view our website via your browser's cookies.
- Questionnaire
- Smart sensors in some of the units (only when connected to the internet)

How will we use your data?

DryGair collects your data so that we can:

- Process your order, manage your account.
- Email you with special offers on other products and services we think you might like.

How do we store your data?

DryGair securely stores your data at a cloud services company that comply with GDPR regulation

Marketing

DryGair would like to send you information about its products and services we think you may be interested in.

If you have agreed to receive marketing, you can always opt out any time.

You have the right at any time to stop DryGair from contacting you for marketing purposes or giving your data to other members of the DryGair Group.

If you no longer want DryGair to contact you for marketing purposes, [please click here](#).

What are your data protection rights?

DryGair is determined to make sure you are fully aware of all of your data protection rights. Every user is entitled to the following:

The right to access - You have the right to request DryGair for copies of your personal data. We may charge you a small fee for this service.

The right to rectification - You have the right to request that DryGair corrects any information you believe is inaccurate. You also have the right to request DryGair to complete information you believe is incomplete.

The right to erasure - You have the right to request DryGair to erase your personal data, under certain conditions.

The right to restrict processing - You have the right to request DryGair to restrict the processing of your personal data, under certain conditions.

The right to object to processing - You have the right to object to DryGair 's processing of your

personal data, under certain conditions.

The right to data portability - You have the right to request DryGair to transfer the data it has collected to another organization, or directly to you, under certain conditions.

When you make a request, DryGair has one month to respond to you. If you would like to exercise any of these rights, please contact us at our email:

Call us at: +972-97730980

Or write to us: info@drygair.com

What are cookies?

Cookies are text files placed on your computer to collect standard Internet log information and visitor behavior information. When you visit our websites, we may collect information from you automatically through cookies or similar technology.

For further information, visit allaboutcookies.org.

How do we use cookies?

DryGair uses cookies in a range of ways to improve your experience on our website, including:

- Keeping you signed in
- Understanding how you use our website

What types of cookies do we use?

There are different types of cookies, however, our website uses:

- **Functionality** - DryGair uses these cookies so that we recognize you on our website and remember your previously selected preferences. These preferences may include your language preference and your location. A mix of first party and third party cookies are used.
- **Advertising** - DryGair uses these cookies to collect information about your visit to our website, the content you viewed, the links you followed and information about your browser, device, and your IP address. DryGair sometimes shares some limited aspects of this data with third parties for advertising purposes. We may also share online data collected through cookies with our advertising partners. This means that when you visit another website, you may be shown advertising based on your browsing patterns on our website.

How to manage cookies

You can set your browser not to accept cookies, and the above website tells you how to remove cookies from your browser. However, in a few cases, some of our website features may not function as a result.

Privacy policies of other websites

The DryGair website contains links to other websites. Our privacy policy applies only to our website, so if you click on a link to another website, you should read their privacy policy.

Changes to our privacy policy

DryGair keeps its privacy policy under regular review and put any updates on this web page. This privacy policy was last updated on May 12 2020.

How to contact us

If you have any questions about DryGair 's privacy policy, the data we keep on you, or you would like to exercise one of your data protection rights, please do not hesitate to contact us.

Email us at: info@drygair.com

Call us: +972-97730980

How to contact the appropriate authority

Should you wish to file a complaint or if you feel that DryGair has not addressed your concerns in a satisfactory manner, you may contact the Information Commissioner's Office.
